Re: Required Sheriff's Deed Paperwork

We were recently informed by the Wayne County Tax Map Office of information that they now require for each Sheriff's Deed. Subsequently, we are passing this information along to you.

1. The Sheriff's Deed **should NOT** contain the wording **"et al"**, but should include all defendants listed in the "Defendant" section of the Property Description Approval Form.
2. There is a second page required to be attached to all Sheriff's Deeds. There is a sample of how a deed should look that you may print out with this letter. The "Prior Owner" section should also include all of the Defendants listed on the Property Description Approval Form.
3. Please include the court case number under the Revised Code number at the top of the deed.

If this paperwork is not completed correctly, unfortunately, we will have to return the Sheriff's Deed to your office for correction(s). The Tax Map Office and the Wayne County Recorder will no longer be accepting Sheriff's Deeds unless this information is correct.

If you have any questions regarding these changes, please contact our Civil Division at 330-287-5766.
